**Q.No.8.** Read the following passage carefully and answer the questions that follows.

Books are of different kinds. Each kind has its own peculiar pleasure. Reading creative literature provides not only diversion, but also a deep insight into life and human character. Literature acquaints us with a large number of things and situations of which we have no direct experience. The experience gains through books widens our outlook, broadens our sympathies and enlarge our mental horizon. Thus it makes us better human being. Good novel plays and poems do another service to us. They enable us to face life cheerfully and courageously. They Teach us glad acceptance of life.

Reading of serious books like those on philosophy, psychology, sociology etc. has joys of its own. They increase our knowledge, sharpen out intellect and enable us to think for ourselves. Books on history take us into the past and prove useful in many ways one learns not only from the achievements but also from the failures of the great men and rulers of by gone ages. Reading is thus helpful to man in many ways. But there are disadvantages also. A man who reads too much is cutoff from real life. He loses the pleasures of life. It is important to remember that books cannot be substitutes for life. Let us use them as aids to a pleasant life.

**Answer the questions in 30 - 40 words.**

**(4x4=16)**

- (a) What are the advantages of reading literature?
- (b) Describe the advantages of reading history books?
- (c) Are there disadvantages of reading books?
- (d) How should books be used?
